

Shuttles for Catering Events

If you're wondering how to get your catering staff to an event, we can supply transport to anywhere in the UK.

Whether it's a wedding, race meeting, funeral, a party or any other catering event you are holding, we can provide your staff with standard or accessible transport in cars, via our minicab company **Green CT Cars** or in our standard or accessible minibuses that seat up to 16.

You can find out about shuttles for catering events by asking via our enquiry page on our website, by email to **info@westwayct.org.uk** or give us a call for minibuses on **020 8964 4928** and for cars on **020 8969 8886**.
